

UNION LAKE SAILING AND TENNIS CLUB

Spring 2022

Commodore's Corner

Spring is right around the corner and COVID looks to be leaving town. Hopefully, things at the club can get back to normal. The board is in the process of planning many events for the 2022 summer season which will be covered later in the newsletter.

From a business perspective, the club is on strong footing with membership hovering around 150 members. Due to COVID, we have not had a business meeting for the past two years. With some members who winter in other states and just the general craziness of the spring \ summer season, the board decided that we would hold a short business meeting during the club's Memorial Day celebration and then the normal Change of the Watch Business Meeting in November. The board has added Rene Hogan, Mike DePalma, Joe Tingle, and Edwin Velez to open board positions. These individuals bring a lot of different talents and skills to the board. All 9 board positions will be voted upon at the membership business meeting in November. Lastly, during the Memorial Day event, we will be asking all members to complete a survey on different aspects of the club. This information is critical in assisting the board in making informed decisions.

David Burgess and Kathy Geiger have left the board over the past couple of months. We would like to thank Dave for all his contributions to the maintenance of

the club and grounds and Kathy, Board Secretary, for capturing the board and general membership meeting minutes, assisting with rentals and events, and quarterbacking the club's newsletter.

In closing, I am asking all members to come out and get involved in at least one of the many activities that will be happening at the club this year. Just a reminder that the club runs on volunteerism, so please lend a hand in keeping the club clean on a daily basis and participating in a club cleanup or maintenance project event.
